Rishi Sinha has never had anything handed to him on a silver platter. With a poor financial situation, no proper education and a childhood that was stolen from him way too soon, it's safe to say he just doesn't have the right luck. What he does have, though, is a dream. A dream to someday own a luxury car. More specifically, an Audi. He dreams of making his family proud, of making himself proud, of showing to the world that no matter how meagre your beginnings are, you can accomplish anything and everything you set your mind to. He carries this dream forward all through his teenage years to adulthood, from BCA to MBA, from one job to the next, from amazing friendships to a devastating heartbreak. Rishi sees both faces of the coin. This is the story of a young man who won't let anything stand in the way of his dream. He won't let anyone convince him otherwise. He wants his dream car, and he'll get there somehow. This is the story of how he chased his dream wheels. Chasing Wheels is a contemporary novel about living your dreams and finding happiness even in the darkest of times. Sputtering, fluttering, fighting and squirming? As life gets busier and to-do lists get longer, we're told to stop being busy, remove the stress, and escape the pressure. And yet--sometimes we're called not to escape it--we're called into it. We have choices in the chaos-filled times. We can sputter and flutter and fight and squirem. Or we can learn to rest, even in the struggle. And oh the joy we find in learning to live...unruffled "Will you ever stop loving her?" Shweta was yelling as Ayaan was walking away. He turned back and looked at Rhea for the last time. "Maybe Yes," Ayaan murmured to himself and continued walking amidst the heavy snowfall. Ayaan struggles to answer the question. He is bewildered, as he still does not have the answer after fifteen years. He is a simple guy with simple tastes, sitting in the corner, watching it all happen around him in which he cannot participate. Nevertheless, he decides to leave no stone unturned when it comes to grabbing an opportunity to overturn the old sissy life. However, all his planning and plotting for turning his life around is flushed down the gutter when Rhea enters his life. It pushes him off the ledge and throws him into the pit of ambiguity. His past haunts him, because of which he is not able to confess his feelings to the girl he loves. He keeps on encountering her in different phases of his life in the span of fifteen years. Maybe Yes is a saga about love, friendship, and finding oneself. I don't remember the moment it happened, but I recall cursing myself for allowing it. Julian Caradonno, the crown prince of the Caradonno crime family: He was my hero. He was my lover. But now, he is my enemy. His love was a blade that stabbed me in the back. All I see is revenge for the naïve, lovestruck girl I was. It wasn't until the Savage King of Russia, Ivan Petrov, emancipated me from that silly girl who had faith in fairytales. My name is Sonya DeLuca. There is no mercy for a kingdom that is built on cruel intentions. A true story. 50 Years of riding outside the law. A debt free degree is possible and Rhea M. Watson, Scholarship Doctor and Founder/CEO of Scholarship Solutions is ready to walk teachers through the process in five easy steps. Join her on a debt free journey as she provides the prescription to a free degree. Inside you will find an interactive teacher's guide, workbook, easy to read text, and tips, tools, and techniques to earning a free degree. No matter your age, educational level, ethnicity, or economic status going to college for free is easy with the Scholarship Doctor. Rhea's parents have died and after a year of living away from reality she is back to her house to only start receiving missed calls from several unknown numbers. She does not pay too much attention to it until she gets an envelope from an unknown person that makes her think twice about the life she has been living all along. Finding a crush amidst the entire ruckus in her life, how will she tackle the questions that have always been there in the back of her mind? Rhea is heading to find out the truth that has been hidden for years under the weight of lies. This moving memoir tells the story of how a young woman descended into the world of prostitution and drug abuse, yet found the strength to rebuild her life. Rhea Coombs's father is a convicted murderer and she grew up with a hippy mother who constantly moved house and lived in a succession of squats and communes before settling in Bristol. It was in Bristol that Rhea had her first introduction to drugs, pimps and prostitution. Pregnant at sixteen, she escaped to London and mixed with gangsters in seedy Soho nightclubs, eventually becoming addicted to crack and heroin and running a crack house. Rhea was forced to give up her children, but she never stopped loving them and through her strength and courage was finally able to escape for the world of drugs and prostitution, and regain custody of her children. This is her remarkable story. Rhea is a renowned psychologist, sexologist and relationship coach. While on a holiday, she meets Rohan, a famous Indian actor who chances upon her notebook and believes she is the only one who will be able to help him with his issues. Rohan has cold feet as his wedding day approaches. But is that all? He embarks on a therapeutic journey with Rhea with the support of her fiancé Siddhartha. This begins the unravelling of many childhood secrets and emotions. Will he overcome these overpowering emotions that have become a part of him? Can he rise above deep, long-term wounds and bonds? Will he go through with the marriage? Siddhartha and Rhea set some interesting relationship goals for every couple. The book elucidates how important it is to destroy the old psychology and develop a new one. A heavy and sensitive subject is presented in the simplest and most light-hearted manner possible. #NewHuman Today's mankind is a product of the culture of thousands of years. From the time we are born, we are socialized into playing traditional gender roles. Certain differences between the sexes are natural while the others are cultural and social (manmade). The book explores men and women's relationships with each other-mother-son, father-daughter, mother-daughter, father-son, brother-sister, girlfriend-boyfriend, husband-wife-and themselves. Be it any relationship, there are men and women involved. The kind of relationship we share with the same or opposite gender stems from our very first relationship with that gender, that is, with a mother and a father. And this is what the book deals with. Delving into the dynamics of these relationships, it brings forth a new definition of what it means to be a man or a woman through the characters Rhea, Siddhartha and Rohan. When Rhea Woodruff was

born, her doctors were concerned. After some testing, they concluded she would probably never walk or talk. As time progressed, Rhea proved them wrong, but the full scope of her developmental delays were clearly evident. Despite her disability, Rhea remained determined to overcome the obstacles in her life, and she has developed into a kind, caring, and capable individual. All she ever wanted was to find love and be treated like everyone else. After much heartache and many disappointments, her dreams of becoming a wife, mother, and author are now a reality. Rhea hopes readers will find inspiration in her candid chronicle of rebounding from adversity. Born Special proves that the toughest challenges in life can be overcome. By sharing the outcome of her personal struggles, Rhea has succeeded in delivering the message that you should never give up on your dreams.

ABOUT THE BOOK "Venus in Gemini" is a collection of poems and song lyrics focusing on the darker complexities of love. This book touches on themes such as self-image issues, sexuality, unrequited love, growth, and forgiveness. It is a personal look at the author's thoughts, emotional experiences, and calamities she had growing up, that inspired her to begin writing. This collection is divided into three sections - each one dealing with different issues concerning the heart, that will resonate with anyone. The first chapter "me." represents who the author used to be and her insecurities as a growing woman. In the second chapter, the man that represents "him." is not one singular person, but rather several unattainable individuals the she gave her heart to and the raw feelings within her relationships with them. The final chapter "her." is based on the thoughts that she has now as a woman who is learning from her heartbreaks of the past and is growing from them to become a stronger, happier person.

ABOUT THE AUTHOR Rhea Deléo is a poet, song-writer, and recording artist based in Greenville, SC, who is passionate about bringing light to the darker emotions and complexities of human nature. "Venus in Gemini" is her first self-published book, released in December, 2019. A graduate from Converse College, she received her Bachelor's degree in Contemporary Music. When Rhea isn't composing or writing, she is actively performing in her band, traveling, and sharing her own personal music with the world. *Shadows on Steroids* is a collection of poems about anger, pain, love, loss and miracles. It brings to light the thoughts and colors experienced by a young girl as she learns to grow up. It's a perfect melange of rhymes and muses, veiling real life incidents under exuberant poetic sheets. A tapestry of dark shades, it's woven in imagery and raw language, pin pricking a vivid account of life and struggles. If you're going through pain or heartbreak, this book awaits your touch. Mechs, Machine-magic, and Monsters... For over a hundred cycles, the Marshals of Rhea have defended their strongholds against the wastelands' many dangers, from vicious raiders to mechanical beasts. To fight these foes they pilot **Chargers**: eighteen-foot mechs engineered by the secretive **Armorers' Guild**. At **Clarion**, the ancient stronghold of **House Omega**, anticipation is high as the Marshals gather for a major hunting expedition. But when disaster strikes and **House Omega** is left leaderless, it falls to no-nonsense **Head Cook Xanthe** to investigate. She's not alone, however, and is aided by an unlikely group of individuals including a haughty young noblewoman, a world-weary **Armorer**, a fastidious bodyguard, and a whimsical assassin. As they endeavor to solve this tragic mystery, they unveil truths about their world, themselves, and each other that perhaps should have stayed hidden--for what they ultimately discover will shake their techno-feudal civilization to its very foundations... Experience the first installment of the **Marshals of Rhea** trilogy, a military sci-fi epic packed with mech combat, techno-magic, and a helping of courtly intrigue. Perfect for fans of **Rick Partlow**, **Chris Fox**, and the **Forgotten Ruin Series**. Companies and individuals with solutions for pressing problems are producing volumes of written materials - but their ideas aren't being heard. If you are a subject-matter expert who is having trouble spreading your ideas, you are not alone. That's an irony of the modern world: Those with fascinating solutions often go unheard because they are too focused on their niche, while other people hog the microphone simply because they are good communicators. "Write Like a Thought Leader" empowers consultants, scientists, lawyers, accountants and experts of all types to make their ideas easily accessible to the global audience already at their fingertips. Gone are the days of stories that are too academic, have an old or uninteresting storyline, or simply present the facts. This book shows smart people how to write smarter with the **Story-Framing System** created by Rhea Wessel. It will help you make the leap from subject-matter expert to thought leader by helping you improve an essential skill in business - writing. Instead of finding that your best ideas have gotten lost or buried, you'll be able to move the conversation forward. To write like a thought leader, subject-matter experts must go through a three-step process and be willing to give away your knowledge for free - no strings attached. By following the steps outlined in this book, you'll establish a respected voice, gain trust, command a loyal following, and maximize the impact of your work.

Have you ever wondered who the **Magi** were that visited the Christ child, giving gifts to **Mary** and **Joseph** shortly after **Jesus's** birth? How did the **Magi** know where the child was to be born? How did they find the child after their travels from a land hundreds of miles away? This fiction is an attempt at answering some of the questions that arise from Scripture. The answers are surprising to the non-historian and will be intriguing to the reader as **Antagion** grows and develops into a warrior, a scholar, and finally, a participant in the nativity. The setting for the story begins in ancient Persia. The land is ruled by a king, a real historical figure. There was intrigue in the court of the **Parthian empire**. **King Phraatises IV** leads to war with the **Roman empire**. In an attempt to coopt the king, the **Roman emperor** sends a female slave to beguile him. **Phraatises V** is born to the couple, and through a fluke, an orphan child is presented and is named a brother to the royal baby. Sibling rivalry drives the story into warrior training and foul murder. Please join in this journey with **Antagion**; orphan, prince, king's guard, warrior, servitor to the King of kings, and story weaver. Hi Welcome to my second book. Glad to see the wild hasn't been squeezed or beaten out of you. Come along for more great adventures and crazy realities. **Kindle Unlimited** recommended Rhea. It looked interesting, it really was, so I continued with Rhea II. There is a lot of humor as well as philosophy and ontology as Rhea comes to grips with being human and more than human and questions what is Reality. **Stan Hutchings** _____ Click the Bar top right. **Bright photographs** teaches little ones first words The life of a sailor experiencing the horrors and exciting times that accompany life aboard ship during **WWII** in the **Pacific**. In **Run for Cover**, Rhea **Briscoe** walks through **Psalm 91** verse by verse, showing how true peace and safety can only be found in the presence of **God**. This book presents **God** as a refuge, as well as a source of power, for those who are struggling to overcome temptation, fear, addiction or guilt. Young Rhea is a miller's daughter of low birth, so she is understandably surprised when a mysterious nobleman, **Lord Crevan**, shows up on her doorstep and proposes marriage. Since commoners don't turn down lords--no matter how sinister they may seem--Rhea is forced to agree to the engagement. **Lord Crevan** demands that Rhea visit his remote manor before their wedding. Upon arrival, she discovers that not only was her betrothed married six times before, but his previous wives are all imprisoned in his enchanted castle. Determined not to share their same fate, Rhea asserts her desire for freedom. In answer, **Lord Crevan** gives Rhea a series of magical tasks to complete, with the threat "Come back before dawn, or else I'll marry you." With time running out and each task more dangerous and bizarre than the last, Rhea must use her resourcefulness, compassion, and bravery to rally the other wives and defeat the sorcerer before he binds her to him forever. As **Constable Nick** contemplates leaving the village in a bid for promotion, his wife begins her new job and doesn't want to leave their moorland home. **Nick's** constabulary duties continue, despite his personal dilemma - there is drama when children go missing and there is more alarm when a man disappears in the river. Cars also get stuck in the river and when **Zachariah Isaac Pentecost** (**Zip** for short) is taken ill, **Nick** discovers he has a long-lost son - but where is he? With **Claude Jeremiah Greengrass** causing his usual problems, it's all part of the daily routine for

Constable Nick of Aidsensfield. If the Princes of this word (that compose Satan's Principality) would have known (had been aware) they would not have crucified (the Lamb of God) the Lord (covenant making God) of Glory (the Kingdom of Heaven) This book is a biblically based, logical event and issue reconstruction of the conversations that would have occurred between Jesus and Satan, as He preached to explain to the forces of Darkness, what in their ignorance they had just enabled. To convey what they needed to know. Our Lord walked the forces of Darkness through step by step, the answers to the issues of their challenges, and educated them on what this now meant and how it all functioned. Subjects include [Why Jesus was a man but Satan had no right to touch him, like any other man, [How He was able to take legal position of Satan's Keys [Release the Righteous held captive since the fall of man [The Foothold for establishing Gods kingdom back in the earth [His role a Messiah and the charter of the anointing [His role as the last Adam and the anointing transfer to man The restoration of Man [Our Hierarchical position, dominion, and authority [The power of his words in their mouths, [How the blessing of Abraham is available to all mankind [and all good will gifts of God unto all mankind, And so much more. Henry and His wife Mary hail from Miami, Florida. They have 3 children Jennifer, Henry, and Ryan. They current live in Austin, TX, and attend Dominion Fellowship, under the Anointed boldness of Pastor Rodney and Donna Pate. Tossing her belongings into a suitcase and escaping heartbreak seemed like the best idea for Rhea Connors. She'd simply travel across the ocean to visit her grandfather in Ireland and heal. Then she'd come back. Simple. But what she doesn't expect is to find solace and healing in the form of the O'Rifcan family. One member in particular: Claron. Claron enjoyed his life farming the land his grandparents gifted him. He lived his life quietly and contentedly, until Rhea arrived. He'd steered clear of relationships and entanglements since his last heartbreak, but something about Roland's granddaughter twists him up inside. Something about Rhea has him rethinking his life of solitude. Two hearts. One chance. Can Rhea and Claron overcome past hurts to make a new beginning?

"Constable on the hill" tells of a country policeman's sometimes hilarious, sometimes sad, life. How he keeps the peace in this typical North Yorkshire village of Aidsensfield makes compelling reading. The ITV television series "Heartbeat" was based on Nicholas Rhea's books. As an American educator with decades of experience, Dr. Deborah J. Rhea had a burning desire to know why Finland's educational system was top ranked in the world, while the United States fell in the middle of the pack. She made it her mission to learn what she could. Rhea took a six-week trip to Finland, where she lived and learned from the best in their schools and government. During that period, her observations revealed that her generation experienced life and education very differently from children today. The philosophies and principles she saw reflected in the Finnish educational system helped open her eyes to the many wrong turns that the United States has made in education over the last thirty years. What's more, Rhea presents the right moves needed to get the country back on track for a healthier, happier method of educating children. In this study, an experienced educator compares the educational approaches of Finland and the United States, considering ways that the latter might be adjusted and improved. Five galactic princesses go into hiding when the evil Empress Geela invades their home planets and captures their parents. Athena, Luna, Rhea, Hera, and Juno decide they can't stand by and watch Geela destroy their homeworlds! Five awesome makeovers later, the girls form a band called SPACEPOP to spread the rebel message of freedom and resistance through music. But when the princesses are recruited as secret agents, can they keep their true identities under wraps? This book includes two full-color illustrated graphic novel sections for 24 total pages of comic book fun! This middle-grade adventure series will resonate with girls eight to twelve who love fashion, music, friendship, and fun! An Imprint Book Young Lady Maria Granger stands ready to enter the social scene of Georgian England. As an orphan she is the ward of the enigmatic Viscount Strafford, whom she has never met. But once she enters into the tumultuous life of Regency London under the tutelage of her mother's scandalously debauched sister, Maria's good looks and fiery temperament thrust her into the limelight. Then her guardian appears and her life is never the same again. Suddenly she is subject to sexual discipline and domination and although she tries to fight back, she finds part of her welcomes his arrogance and cruelty. But just as she is grappling with the problems of having two lovers, she learns that her guardian may be a much worse villain than even she believes. Rhea Silva provides a rip-roaring tale of crime, passion and debauchery set against the glittering backdrop of an elegant but decadent epoch. From experiencing rape, rejection and death to struggling with barrenness and abuse, the five women in this book have known what it means to be tested to the very limit of one's endurance. In this very personal and pain-filled narration, Sarah takes you on a journey through their lives and shows how they were able to overcome their hardships. Someone once said that radical faith in the face of radical circumstances brings radical result. That may well be true, because these are stories of amazing victory over incredible adversity. Despite its painful topics, the book shows that even in the most desperate of situations it is possible to have hope. Although written from the point of view of Christian beliefs, it will appeal to people from all walks of life, because its deals with issues that affect all irrespective of race, religious-orientation or one's position within the society. In Jean de La Hire's original 1943 novel, *The King of the Night*, translated by Brian Stableford, the Nyctalope travels to Rhea, a wandering planetoid inhabited by two warring races of ape-men and bat-men, and forces the two species to make peace. In its all-new sequel, *Return of the Nyctalope*, by Jean-Marc & Randy Lofficier, the Nyctalope returns to Rhea as it is about to leave the Solar System, and comes to grips with his own past while charting out a bold map for the future of Humanity. Leo Saint-Clair, alias the Nyctalope, was created in 1911 by Jean de La Hire, one of France's most prolific serial writers. Gifted with night vision, hypnotic powers and an artificial heart, Saint-Clair was a fearless hero who battled a gallery of colorful super-villains. His adventures, which spanned 30 years, created a template that was later adopted by other pulp and comic-book heroes, and continue today in new stories, of which this is the most recent. Tired of being alone, Rhea takes the plunge into the marriage market. Each time she meets a new guy she thinks she's hit pay dirt, only each guy has a weirder problem than the last. Awash with caricature and banter, *Half Love Half Arranged* debuts a voice that could well be the next Anuja Chauhan. Bright photographs teaches little ones first words A drunk driver tries to get home. A college coed takes a devastating turn in her life. A lawsuit against the devil? A young woman comes face-to-face with her fathers past. And an invading army. These are the situations that are explored in these spine-tingling stories. Reminiscent of the old Twilight Zone episodes, these stories take ordinary situations and turn them into extraordinary experiences that will leave you unsettled and looking over your shoulder. You might not want to read these in the dark. Khalon has only known death and fear his whole life. The only descendant from both the Red Dragon and Black Dragon clans, he has been a threat to the throne of Draconia since he was an embryo. Due to his lineage, his father King Vien imprisoned him in the Ring of Fire when he was only five years old, forcing Khalon to fight for his life every week. Khalon never thought he would ever survive the Ring of Fire. But one battle, something miraculous happened. Khalon was suddenly covered in protective dragon scales. The only draconian who has the spirit of the dragon within them is the king, so how could Khalon have the power of one? Threatened by Khalon's sudden show of power, King Vien sacrifices him to the God of Death. There, Khalon is faced with an impossible journey. Another prison, only this time in the form of a girl. Rhea had no choice but to be the God of Death. It was destined for her since the moment she was born. Because no one can see her true face, Rhea has been surrounded by expressions of horror and grief for as long as she can remember... That is, until the bastard Prince of Draconia arrives at her temple. Curiously, he doesn't seem to be afraid of her. Accepting him as sacrifice by making him a temple servant, Rhea and Khalon travel to fulfill the King of Draconia's wish. During this journey, they learn of someone killing the Gods by using monsters called the Mortiferis. They destroy everything they touch, annihilating realms into nothing but dust. Will they be able to stop the Mortiferis? Will Khalon be able to protect the Gods that he once hated? Or will Asynithis fall into oblivion? One grim reaper. Three hellhounds who refuse to bow down to her. A monster hunting them in the shadows...Ten years ago, I was judged worthy of life after death and returned to the mortal realm as a grim reaper. Scythe in hand, I guide souls to deliverance-and it's time for a promotion.My new territory is triple the size of any I've worked before. High death rates mean one busy reaper, and the only way to keep up is with a pack of hellhounds. Faithful. Strong. Merciless. Hellhound shifters are a reaper's right hand in the field, shepherding and guarding souls until they can be reaped.We get our pick of the litter from the best breeders in Hell, but for some reason, I'm drawn to the pack no one wants.An alpha who refuses to yield.A beta who doesn't take me seriously.A runt who flinches at every command.I want them-even if they don't want me.Because the hunger in their eyes tells a different story. But the fact that they can't decide whether to love me or hate me, fight me or screw me, is making our situation way too complicated.Still, I refuse to give up. If this infuriatingly handsome trio can't be trained, if we don't pass the trials, they go back to a cage and a cruel demon master.Yeah. Not happening.Reapers and hellhounds are natural allies, and the sooner we secure our bond, the better, because as it turns out...All our lives depend on it.Reaper's Pack is a standalone why-choose paranormal romance and is part of the ALL THE QUEEN'S MEN series. Each book in the series is a full-length standalone featuring layered heroes and a headstrong heroine who never has to settle for just one happily-ever-after. The books can be read in any order and are part of the same supernatural universe. Hi I'm Rhea Dumont. Come along and explore the Shadow World with me. If your hold on reality is a bit shaky, best pass on by. It's going to get wild and weird. And, my story is not for the sensitive and refined. Most of my foster homes were in bad, bad neighborhoods. I learned a lot of wonderful words wondering the streets, and got rid of prissy morality long ago. One reader even called me uncouth. You are all fine people I'm sure, wonderfully sensitive and refined, and I so regret exposing you to raw Reality. And I got plenty of couth, lady Kindle Unlimited recommended this book and it looked interesting. It really was. Rhea is a fascinating character, putting on a sweet, innocent, orphan persona when she wants, but is actually tough as nails and no shrinking violet. The story of Rhea's development is quite interesting as she develops new skills and powers of the Shadow World. Stan Hutchings _____ Click the Bar top right. It's three years later, and the grandkids are growing... but so are the life challenges they face! Some of them are dealing with the additional issues created by attending junior high and high school. They're playing football and basketball; participating in cheerleading competitions; building castles and dioramas for school projects; attending birthday parties and swim parties; making and revising their Christmas Lists; and generally keeping their parents and grandparents busy, with all of their activities and interests. There are more and more things they need to learn how to do, such as multiplication and division; how to ride a skateboard, or a bike; how to bake cookies; how to swim without touching the bottom of the pool; how to play the guitar; how to compute the tip to leave at a restaurant; how to download games and apps to a new mobile device; and much more. The questions they pose for Papa and Nana are getting more complex, too. Beginning with simpler questions like "Do whales eat people?"; "Can vampires come in the house if they're not invited?"; and "Is that a boy fish, or a girl fish?" they progress to more complex inquiries, such as, "Can animals talk?"; "Do other planets have days, like we do?"; "Do you believe in global

warming?"; "What's it like to be an adult?"; "What do you think about the Big Bang?"; and "Do you believe in God?" Whether they're going to the Zoo; hosting a video game party; deciding which music video to watch first; visiting Papa at work; trying to cross a muddy path in the Nature Walk; reading a popular series of books; posting pictures on social media websites; dancing a Zumba workout; or making a Father's Day card, the activities and mishaps recounted in this book may help you to better appreciate the joy, wonder, and beauty of young people-and reinforce your belief in the ultimate and indispensable value of FAMILY.
