*The Witching Vault* Dec 13 2021 Run the witching vault. Protect the Gateway. Say please. And don't get killed. After her release from magical prison, Jessica Northwood can't hold a job to save her life. So when an apprenticeship opens up at a spellbound bank, no questions asked, she can't exactly say no? But she definitely should have. For centuries, the bank's owners have stood between the Gateway in the upstairs hall and the occult syndicate who want it for themselves. As the current owner, the scryer witch is supposed to have that under control. But when the woman turns up dead, Jessica's employment contract now says she's the one tasked with this lethal responsibility. Jessica has no idea what she's doing? and the bank won't let her leave. As she deals with magical clientele who know the stakes far better than she does, Jessica must decide just how far she's willing to go to keep this job. Because if she doesn't, she'll end up as dead as the body in the lobby. Or worse. Illona Andrews' Inkeeper Chronicles meets The Magicians in this snarky, fast-paced Urban Fantasy Adventure from International Bestselling Author Kathrin Hutson.

Who's the Boss Jan 31 2021 Who gets to be the boss when they're both used to being in charge? Frankie Stevens has always preferred dirt and trucks to dresses and dolls. Construction boots are as comfortable as a pair of slippers. Her dream is to make a name for herself in the construction industry by running the company she inherited after her father's death. Unfortunately, somebody is willing to sabotage her business to make sure she doesn't succeed. Looks as if she needs a security professional

to protect her assets. Too bad that professional turns out to be the devilishly handsome Gabe McBride. How can she be expected to get any work done with that dominant, infuriating man around? Gabe McBride has some old-fashioned beliefs. Being “man of the house” after his father passed away and now part-owner of The Vault, he takes his role as protector very seriously. When he meets Frankie, he expects a hard-edged, been-around-the-block-a-few-times owner of a construction company. Instead, he finds himself toe-to-toe with a feisty sprite, who swears like one of her men and smells like lilacs and sawdust. He’s determined to protect her and uncover who is out to ruin her business, but she’s clearly a woman used to being in charge. Now he must get this beautiful, fiery woman to submit to him for both her safety and her pleasure. Author’s Note: This book was first published under another cover and publisher in 2016. Rights have been returned to the author. It is now being republished directly through the author’s publishing company hotRom publishing, however, no substantive change have been made. This book is written for a mature audience. It contains sexually explicit content and some profanity.
